Commission Rule Revision and 2008 Campaign Contribution Disclosure Forms

Over the past several months, the Commission has revised its Rules. These changes include new reporting requirements regarding indebtedness and investing, amongst other modifications. A full copy of the new rules can be viewed at: http://www.ethics.ga.gov/EthicsWeb/references/Rules/SEC_Rules-189-1-Full.pdf

The changes to the Rules add additional reporting requirements for campaign committees. Thus, the Campaign Contribution Disclosure Reports have been updated to reflect these revisions.

Please refer to the following website for more information and to access these forms.
